ROAD DELAYS AND ROLLING CLOSURES

CHP and Police will provide lead and rear support vehicles, in addition to support at intersections. The CHP patrol cars will direct a rolling closure of the streets along the course route. Once in residential areas, runners will be on the right side of the road, allowing for access to emergency vehicles and other vehicles upon direction of CHP or course monitors. CHP, police and course monitors will direct traffic and must be obeyed at all times for the safety of runners, pedestrians and vehicles.
